Abstract

The abstract for this paper is to be no more than 200 words. It describes the topic of the paper, major conclusions and significance of the work, and any other noteworthy elements of the paper. The abstract is used to assess the suitability of the paper for the conference. A complete and well-crafted abstract improves the likelihood of acceptance of the paper into the conference. The abstract and required full paper are to be submitted in Microsoft Word. Abstracts and Papers for the 44th Annual Conference of the Canadian Nuclear Society (ANNCON 2025) should be submitted to <https://www.xcdsystem.com/cns/abstract/index.cfm?ID=SeDorvj>
