- EVENT INFORMATION -

Conference Venue

The FSEP 2019 Conference will be held on October 27th to October 30th at the “The Westin Ottawa”. This premium hotel is an excellent location for an international conference. The event will be held in the Governor General Ballroom and the Provinces Ballroom. The Exhibitors will be situated in the Provinces Ballroom co-located with the FSEP Student Poster Presentation. The Westin has meeting rooms of sufficient size and number to support this event. A block of rooms has been secured at the Westin and, if overflow rooms are needed or for those who prefer alternate hotels, there are other hotels within walking distance in downtown Ottawa.

Conference Objective

The FSEP 2019 Conference will emphasize the sharing and exchange of information between the nuclear industry, fire protection and emergency preparedness specialists, suppliers and service providers, government representatives and officials, community, and other stakeholders in fire protection and emergency management in the nuclear industry.

The 2nd International Meeting on Fire Safety and Emergency Preparedness (FSEP 2017) was held in Toronto, Ontario, and was highly successful for the attendees, sponsors and exhibitors. The conference was supported by prominent organizations within the nuclear community and attracted representatives from Canada, USA, India, Germany, Korea, UK and Romania.

Specific topics to be discussed at FSEP-2019 include:

- Industry Management Perspective
- Fire Protection Overview
- Emerging Operating Experience
- Fire Probabilistic Risk Assessment
- NFPA 805 Transition
- Inspection Experience
- Industry Challenges
- Industry Best Practices
- Research and Development

FSEP 2019 is the ideal marketing vehicle to:

- Launch and demonstrate new products and services.
- Demonstrate your expertise and solutions to industry professionals.
- Generate new sales leads.
- Obtain customer feedback and conduct market research.
- Meet your clients and prospective clients face-to-face.
- Strengthen customer and supplier relations.
