

Eleodor Nichita

President, 2009 - 2010

Eleodor Nichita received his BSc in Engineering Physics from the University of Bucharest, Romania, in 1988. Upon graduation he worked as a researcher with the Institute for Nuclear Research in Pitesti, Romania.

In 1997 he obtained his PhD in Nuclear Engineering from Georgia Institute of Technology in Atlanta, GA. Subsequently, he and his wife came to Canada where he worked as a Reactor Physicist for Atomic Energy of Canada Limited in Mississauga, ON, until 2004.

In 2004 Eleodor joined the University of Ontario Institute of Technology in Oshawa, ON, where he is currently an Associate Professor.

Eleodor has served on the CNS Council since 2001. He was chair of the Nuclear Science and Engineering Division, 2005-2008, and is CNS president as of June 2009.
