PRESIDENT - The University Network of Excellence in Nuclear Engineering

The University Network of Excellence in Nuclear Engineering (UNENE) invites applications for a part-time two-year (renewable) appointment of President. The President is also the Chief Executive Officer of the Corporation. At the direction of the Board of Directors, the President organizes and chairs all meetings of the Members of the Corporation, is responsible for the general and active management of the affairs of the Corporation, and sees that resolutions of the Board of Directors are carried out. The position involves interacting with industrial and university organizations conducting design, research and analysis activities in the Canadian nuclear industry. For more detailed information on UNENE activities, please consult our Web page at www.unene.ca. A comprehensive list of duties of the President is available upon request.

Applicants preferably should have a graduate degree in Engineering or Science or equivalent experience, and have an extensive and well-established background in nuclear Science and Technology. They should have had strong interaction with the R&D community, have demonstrated a commitment to engineering education, and have had significant interactions with the Canadian nuclear industrial sector at a senior level.

Applicants should send a letter of application, curriculum vitae, statement of interests, a selection of supportive documents, and the names and addresses of at least three references to:

Jatin Nathwani, PhD, P.Eng – Chair, UNENE Board of Directors
Faculty of Engineering and Faculty of Environment
University of Waterloo, Waterloo, ON
200 University Ave West, Waterloo, ON N2L 3G1
Email: nathwani@uwaterloo.ca

All qualified candidates are encouraged to apply; however, Canadian Citizens and permanent residents will be given priority. UNENE is strongly committed to employment equity and encourages applications from all qualified candidates, including women, members of visible minorities, Aboriginal persons, members of sexual minorities, and persons with disabilities.
